ORDER:

The Government having considered the recommendation of the jail Reforms Committee 1950-51 on the subject of protective inoculations against typhoid and similar diseases direct that every prisoner admitted to a jail should be inoculated against typhoid on admission or as soon afterwards as possible, as there may be carriers among new admissions and that other protective inoculations should be given (against Cholera etc) whenever the Medical Officer considers such inoculation necessary in the interest of the health of the jail population.

2. In exercise of the powers conferred by section 59 of the Prisons Act, 1894 (Central Act IX of 1894), the Governor of Madras hereby makes the following amendment to the rules in Part I of Volume II of the Madras Prison and Reformatory Manual:-

AMENDMENT

In the said rules, for rule 603(2), the following rule shall be substituted, namely:-

" (2) Every prisoner admitted to a jail shall be inoculated against typhoid on admission or as soon afterwards as possible. Other protective inoculations(such as inoculation against Cholera etc) shall be given whenever the Medical officer considers such inoculation necessary in the interest of the health of the jail population".
